THE CLASSIC MEKONG - 7 NIGHTS

The magical Mekong is a fascinating and varied thoroughfare. Connecting the French colonial port of Saigon in Vietnam to the grand temples of Angkor in Cambodia, Pandaw's 7-night Classic Mekong expedition provides guests with a timeless journey of culture and adventure.

Steering clear of the large white 'floating hotel' style of ship often seen plying this river, a Pandaw vessel offers an alternative rooted in history and colonial style. With competitive full ship charter rates on a basic or full basis, Pandaw is the ideal partner for your groups on the Mekong
